

Options University Presents the 1st Annual Online Trading & Investors Superconference 2007 with Leading Financial Experts on Wednesday, April 25

On Wednesday, April 25, the media will have the rare opportunity to hear from the seven top financial trading experts - under the same roof and to conduct one-on-one interviews with experts in the field. Violent swings on Wall Street have prompted an 'Emergency Profit Protection Bootcamp', featuring seven of the world's top stock and options traders. From Thursday, April 26- Saturday, April 28, a rare opportunity will present itself at the 1st Annual Online Trading & Investors Superconference in Orlando, FL. Never before have the top trading experts in this field been together in one room.

Orlando, FL (PRWEB) April 24, 2007 -- On Wednesday, April 25, the media will have the rare opportunity to hear from the seven top financial trading experts - under the same roof and to conduct one-on-one interviews with experts in the field.

Violent swings on Wall Street have prompted an Emergency Profit Protection Bootcamp, featuring seven of the world's top stock and options traders. From Thursday, April 26- Saturday, April 28, a rare opportunity will present itself at the [1st Annual Online Trading & Investors Superconference](#) in Orlando, FL. Never before have the top trading experts in this field been together in one room. These speakers have always considered each other competition however, due to their relationship with [Options University](#), who is sponsoring this event, the investors have dropped their gloves and are getting together as a group.

"This is the first time ever that all of these world-renowned speakers have appeared in one place. The goal is to teach investors how to survive and prosper in today's markets, and maybe even fire your broker!," says [Brett Fogle, CEO of Options University](#). "This rare, but necessary, opportunity will bring the 'Who's Who' of the most knowledgeable financial trading resources under one roof." This is the first in the industry to have well-known speakers teach investors about options trading, candlesticks, futures, and more. They will teach people face-to-face how to protect their portfolio in today's turbulent markets.

This is a phenomenal opportunity for media to get a handle on the market by talking to the [foremost experts](#) in the field. This first-class event will take place at the brand new Omni Champions Gate Golf Resort in Orlando. The first day, Wednesday, April 25, 2007, will give media the opportunity to meet the speakers at a roundtable, and to do exclusive one-on-one interviews. Thursday through Saturday there will be scheduled sessions on a range of topics that can help investors secure their own future.

Speakers include Timothy Sykes, Hedge Fund Manager And "Wall Street Warrior"; Jake Bernstein, the "Godfather" Of Technical Analysis; Jon Najarian, Option Trader Extraordinaire, Author, Speaker, and CBOE Spokesman; Steve Nison, The 'Grand-Father' of Candlestick Charting in the West; Price Headley, "Top 10" Stock Market Timer and Options Trader; David Elliott, Technical Analysis Wizard - Twice Voted World's #1 Market Timer, [Ron Ianieri, Chief Options Strategist](#) for Options University and Options Floor Trader, and Bill Johnson Charles Schwab's "Expert ForThe Experts".

All speakers will be available for one-on-one interviews at the [Superconference](#) located at the Omni Champions Gate Resort in Orlando, Florida on Wednesday, April 25, 2007 at 12 pm. For more information, media can visit www.investorsuperconference2007.com/ or call Robert Weneck at 954-683-1518 to secure interviews with the experts.

About The Options University

About The Options University, LLC: [The Options University](http://www.optionsuniversity.com) is the leading source for options education for safer investing and better profits. Co-founder Ron Ianieri was a floor trader for 15 years on the Philadelphia Stock Exchange, and 'The Specialist' in DELL computer options, one of the busiest books in history. While on the floor, Ron built one of the most comprehensive training programs used to teach and train professional option floor traders. Today, he uses that same course to teach individual investors as well as institutions. Maximizing his experience, the educational company is uniquely qualified to teach investors how to make consistent profits while limiting risk.
